### NOVUM sets the course for the expansion of the insurance IT market in Austria

**NOVUM GmbH is preparing under a new management for the expansion of its market position in Austria.**

5 In order to further expand its market position as a provider of innovative software solutions for the Austrian insurance market, NOVUM will now combine its Vienna and Salzburg locations under a single management.

10 With Klaus Stadlbauer, the long-standing branch manager of the Salzburg location will take over overall responsibility for Austria as Head of Austria. The aim is to further develop the team across both locations and to successfully implement projects with our partners from the insurance industry, insurance companies and brokers.

15 "Klaus Stadlbauer is a very experienced colleague who, as a long-standing manager in Salzburg, has made a significant contribution to establishing us in the Austrian market for insurance IT. We are confident that together with Klaus Stadlbauer we will further expand our position on the Austrian market, which is strategically important for NOVUM, and achieve our goals together," emphasizes Michael Kraus, CEO of the Novum Group.
